

INDUSTRIES PVT.LTD.

Excellence in Transport  
Over a Decade

# ABOUT US

Norbexi Industries Pvt. Ltd., has been promoted by Shri Prashant Lakhani with the view to carry on the business of Logistics of all kinds of Transportation, having incorporated in 2016. Norbexi Industries Pvt. Ltd. came into active operations from June 2018 with its office in Nagpur & Raipur.

Norbexi Industries Pvt. Ltd. operates over 100 rental trucks. Post-GST, Nagpur has emerged as a key hub for warehousing and logistics due to its central location, strong infrastructure, and connectivity by rail, road, and air. The rise of MIHAN as a multimodal hub has further boosted logistics activity in the region.

Over the past nine years, Norbexi Industries Pvt. Ltd. has earned the trust of 50+ reputed corporates through timely service and fair pricing. With the proposed working capital infusion, operations and the client base are expected to grow significantly in the coming years.

Norbexi Industries Pvt. Ltd. has appointed Shri Prashant Lakhani as Executive Director, bringing with him over 30 years of logistics experience and a strong network of reputed national clients.

# Why Choose Us?

**01**

## SKILLED PROFESSIONALS

Our skilled and experienced workforce ensures seamless operations.

**02**

## VALUE-BASED PRICING

Cost-effective solutions that deliver top-tier quality, combining value, efficiency, and reliability within your budget.

**03**

## WIDE-REACHING NETWORK

Our strong nationwide network ensures smooth connectivity and timely, hassle-free deliveries.

**04**

## CLIENT APPROVAL

With a proven history of excellence, we're trusted for our commitment to quality, reliability, and performance.

**05**

## RELIABLE DELIVERY SCHEDULES

Our efficient logistics system ensures streamlined operations and timely delivery to meet your deadlines

**06**

## EFFICIENT AND RELIABLE SERVICE

Committed to punctuality and operational excellence for reliable, consistent results.

### ✓ ROAD FREIGHT

Norbexi industries private limited strives to reduce costs, enhance transportation efficiency, overcome trade-related technical and documentation challenges, and leverage cutting-edge technologies to guarantee timely project completion. We offer comprehensive end-to-end services covering every aspect of integrated project management. Our ability to deliver shipments anytime, anywhere regardless of size or weight—sets us apart from the competition.

### ✓ PROJECT CARGO

Norbexi industries private limited provides buyers and shippers with a single point of contact for all cargo-related inquiries. With proven expertise in coordinating with multiple suppliers and managing cargo across various locations, we efficiently handle group company nominations. We deliver comprehensive project cargo transportation and complete logistics solutions all conveniently managed under one roof.

## ✓ AIR FREIGHT

Norbexi industries private limited provides rapid, tailored air-freight solutions for urgent and last-minute shipments through a reliable global network. From departure to final delivery, our skilled team ensures smooth coordination with real-time tracking and authorized customs assistance. We offer comprehensive freight services by air, sea, and land, handling complex deliveries including ODA zones, elevated locations, and specialized equipment. With round-the-clock support, worldwide coverage, and a customer-centric focus, we consistently deliver precision, speed, and dependable service at scale

## ✓ PROJECTS AND MINING

Efficiently and safely transporting mined materials (such as ore and coal), equipment, and personnel between various locations within and beyond the mine site to ensure a smooth and continuous flow of materials and information throughout the entire mining operation.

# Our Transport Service Offering

Our company's flexible structure allows you to optimize your road transportation needs. By deploying the appropriate vehicles, we can quickly adapt to changes in your requirements, even on short notice.

## FULL TRUCK LOAD(FTL)

Point-to-point intercity transportation on a dedicated or trip-based basis, utilizing a mix of contracted vehicles and customized fleets.

## DEDICATED TRUCKING

A dedicated fleet management solution designed to reduce transportation costs and transit times, enabling improved inventory planning.

## MILK- RUN

Preplanned round trips to multiple delivery locations according to a set schedule.

# Vehicle Dispatch Planning

Norbexi industries private limited considers multiple factors to ensure sustainable performance.

01

**LOADING  
POINT**

Flexible working hours — Documentation and paperwork review — Physical stock verification Compliance with statutory regulations

02

**TRANSIT**

Ensuring on-time delivery — Guaranteeing zero shrinkage — Utilizing the shortest and fastest routes — Continuous vehicle tracking.

03

**UNLOADING  
POINT**

Guaranteeing complete delivery and obtaining Proof of Delivery (POD).

# EXIM Services & Solutions

Norbexi industries private limited takes multiple parameters into account to maintain consistent and sustainable performance.

## OCEAN FREIGHT

At Norbexi Industries Private Limited, we provide safe, cost-effective ocean freight solutions with FCL/LCL options, end-to-end support, and global reach. From bookings to customs, door delivery, and specialized cargo handling, we ensure reliable scheduling, daily departures, and full compliance—all backed by GPS tracking and expert support

## AIR FREIGHT

At Norbexi Industries Private Limited, offers fast, customized air-freight solutions for urgent deliveries, backed by a global network. From take-off to final-mile, we ensure real-time tracking, customs support, and 24/7 service. With expertise across air, sea, and land—including ODA and complex deliveries—we deliver speed, precision, and reliability at scale.

## CUSTOMS CLEARANCE

International shipping requires extra steps for customs clearance, as each shipment must meet the destination country's regulations. Norbexi Industries Private Limited. provides tools and resources to help you navigate the process smoothly.
